

Mansbridge Primary School

Anti-radicalisation Policy

Mansbridge Primary School is fully committed to safeguarding and promoting the welfare of all its pupils. As a school we recognise that safeguarding against radicalisation is no different from safeguarding against any other vulnerability. All staff are expected to uphold and promote the fundamental principles of British values, including democracy, the rule of law, individual liberty and mutual respect, and tolerance of those with different faiths and beliefs. In formulating this policy, the *Governors* have taken account of the guidance from the Department for Education:

(https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/417943/Prevent_Duty_Guidance_England_Wales.pdf)

which has called for all public bodies to make explicit their preventative measures to minimise the threat of extremism in their setting.

DEFINITIONS AND INDICATORS

Radicalisation is defined as the act or process of making a person more radical or favouring of extreme or fundamental changes in political, economic or social conditions, institutions or habits of the mind.

Extremism is defined as the holding of extreme political or religious views.

The Governing Body has a **zero tolerance** approach to extremist behaviour for all community members. We rely on our strong values to steer our work and ensure the pastoral care of our pupils protects them from exposure to negative influences.

AIMS AND PRINCIPLES

The main aims of this policy statement are to ensure that staff are fully engaged in being vigilant about radicalisation; that they overcome professional disbelief that such issues will not happen here and ensure that we work alongside other professional bodies and agencies to ensure that our pupils are safe from harm.

The principle objectives are that:

- Pupils are encouraged to adopt and live out our Core Values. These complement the key "British Values" of tolerance, respect, understanding, compassion and harmonious living.
- Pupils are helped to understand the importance of democracy and freedom of speech, through assemblies, curriculum lessons and through the elected School Council members
- Pupils are taught how to keep themselves safe, in school and when using the internet.
- Pupils participate in local community events so that they appreciate and

value their neighbours and friends who may not share their faith background.

- Pupil's wellbeing, confidence and resilience is promoted through our planned curriculum and out of hours learning opportunities.
- Pupils are supported in making good choices from a very young age, so they understand the impact and consequences of their actions on others.
- Governors, teachers, teaching assistants and non-teaching staff demonstrate an understanding of what radicalisation and extremism are and why we need to be vigilant in school.

The Office for Security & Counter Terrorism works to counter the threat from terrorism and their work is detailed in the counter terrorism strategy CONTEST.

This strategy is based on four areas of work:

- **Pursue** - To stop terrorist attacks
- **Prevent** - To stop people becoming terrorists or supporting terrorism
- **Protect** - To strengthen our protection against a terrorist attack
- **Prepare** - To mitigate the impact of a terrorist attack

Our role, as a school, is outlined more specifically in the DCSF document 'Learning together to be safe: A toolkit to help schools contribute to the prevention of violent extremism.'

Primarily our work will be concerned with PREVENTION and is outlined more specifically in the DCSF document 'Learning together to be safe: A toolkit to help schools contribute to the prevention of violent extremism.'

This policy should be read alongside the school's Safeguarding, Equal Opportunities, E-Safety and Anti-bullying policies

We have a duty to safeguard all pupils and this includes protecting pupils from the risks of extremism and radicalisation. Parents who have concerns about their children in this regard could contact the Headteacher if they wish to seek advice on how to keep their children safe from these risks.

Agreed by governors 8.7.15
