

# The Mansbridge Clean Sweep

Join our Junk Nature Trail  
...and you could win a **£20 Love2Shop voucher!**

Help us create a nature trail out of junk material...  
Foxes, hedgehogs, birds, flowers, trees, people... anything you might see on a nature trail in the local area.

Open to everyone - just let your imagination run riot!

**Models must be ready for display by Friday 3 March**

If you want a bit more inspiration, we're holding a FREE drop-in workshop with a local junk modelling artist on:

**Monday 20 February 1pm to 3:30pm**

Bring along any materials you can get your hands on, but don't worry as we'll have materials here too.

**To join in the project, please contact us at the Round About Café (see over for details)**
