20th January 2017

Dear Parents and Carers,

KS1 - Food Week

As part of our Design and Technology curriculum we will be having a fun-filled week of planning, making and tasting of food from the **30th of January to the 3rd of February**.

For Key Stage 1, we will be having an International Day on the **2nd of February**. On this day, children will be experiencing, seeing and tasting foods from different countries. We are aware that specific children have allergies in each class and will make sure your child is not trying any food he/she is allergic to. *If you would **not** like your child to try any food during food week, please make sure you let the class teacher know.*

We are always looking for volunteers to come in and share their knowledge and culture. If you have any interesting food or recipes you would like to share with the children we would love to hear from you.

Yours sincerely,

DT Subject Leader
